Pricing Sheet Response Instructions

*Please complete the yellow cells with your proposed solution. The blue columns are autopopulated and should not be edited.

**If you do not plan to offer a specific line item, please place "N/A" in the Proposed Solution "Make" Column.

***Specific models have been listed below to provide a better understanding of the specs the applicant is interested in. As per E-rate rules, ALL proposals that include solutions functionally equivalent to the models listed below will be reviewed and considered. If you provide an equivalent solution, you must also provide documentation that demonstrates the solution listed on your response is functionally equivalent to what is requested.

****Should there be a discrepancy between the fees listed in this Pricing Attachment and any other proposal response document, the costs offered in this document shall prevail.
