Additional Information for RFP #25-0211 TURF MOWING

In an effort to provide interested vendors with more information, the Clarke County Purchasing Office is posting document on eVA and the County website.

Estimated Acreage for Clarke County Public School properties

Clarke County High School (627 Mosby Blvd).....approximately 44.98 acres

Johnson-Williams Middle School (200 Swan Ave.).....approximately 26.78 acres

DG Cooley Elementary School (34 and 240 Westwood Rd.).....approximately 46.79 acres

Boyce Elementary School (119 W. Main St.).....approximately 8 acres

School Administration Building (317 W. Main St).....approximately 6 acres

**Note that building and parking lots are not deducted from acreage estimates. These figures are estimates only. Vendors are responsible for inspecting the properties and using their own measurements to calculate their proposal pricing figures.*

This is not an addendum as nothing within the RFP itself is being modified. This is simply an effort to provide additional information to those vendors interested in RFP 25-0211. Vendors are not required to include this document with their proposal packets.
